

If you attended the 40th BWFLC Anniversary Banquet in 1999, you should not forget the MC in that evening. He was Albert Lai (Class-66). I was told he was humorous and funny (the editor regrettably missed that special occasion), and certainly all who were there enjoyed it very much.

He was recently “promoted” to the father-in-law senior level in Hawaii. The editor thinks that the BWFLC alumni may want to share his joy and happiness.

L to R: Ricky Yan (Class66), Alice Poon (Class-67), Albert Lai (Class-66), Mrs Lai, Stella Man Lee (Class-66) and Dorothy To Hung (Class-67)
